

there and given to the state, nor conversely, can the state just take a road and say to the counties here it is. That is not the way it works. It is a mutual agreement, certain standards have to prevail before those roads can be transferred. I think that, as Senator Cullan has said, this is a likely approach to a problem, that County Officials say it is all right. The State Engineer was in favor of it, why can't we be in favor of it and allow this mutual thing to happen. I would ask you to adopt the committee amendments.

SPEAKER LUEDTKE PRESIDING

SPEAKER LUEDTKE: Motion before the house is the adoption of the committee amendments on LB 236. All in favor vote aye, opposed nay. Have you all voted? Senator Mills.

SENATOR MILLS: Mr. President.

SPEAKER LUEDTKE: Yes, Senator Mills.

SENATOR MILLS: I would ask for a Call of the House.

SPEAKER LUEDTKE: A Call of the House has been called for. All those in favor of a Call of the House vote aye, opposed nay. Senator Mills, did you hear the Clerk's report. Maybe you would change your mind. There is 13 excused so there is no way you can get it. Would you want to withdraw. You have a Call here but it isn't going to do you any good.

SPEAKER LUEDTKE: We are under Call. Will all legislators return to their desks and we are under Call. Register their presence, everybody record their presence please. Would all the legislators please return to their desk so that we know where everybody is while this Call is being conducted. Senator Labeledz. Thank you. Senator Mills, shall we take call in votes or do you want a record vote.

SENATOR MILLS: I would like to have a record vote. We have 13 excused, is that right?

SPEAKER LUEDTKE: 13 excused. We are now down to 16 so there are three more. Do you want a roll call or a record vote?

SENATOR MILLS: I would have to have a roll call.

SPEAKER LUEDTKE: He wants you to call the roll. Are you ready? Do you want to go now, then? The Chair will take Senator Lewis' vote. If he wants a roll call vote, the Clerk says let's go ahead with the roll call. Ready, Senator
